

ABOUT THE CAMP

This is the 3rd annual Comet Youth Football Camp under the direction of Mike Passerello, Amherst Steele High School Head Football Coach. The Steele Varsity staff and players will assist with the camp. THIS IS A NON-CONTACT CAMP.

Our main focus will be on teaching the fundamentals of the game of football, exposing each camper to all the different football positions and terminology.

We will utilize drills, activities, and competitions that will make learning fun and rewarding.

We encourage our student athletes to pursue excellence in everything they do in life. Our players understand that success is attained not from luck, but from hard work and determination. They take these valuable lessons learned on the playing field and apply them to their academics, careers and family relationships throughout their lives.
